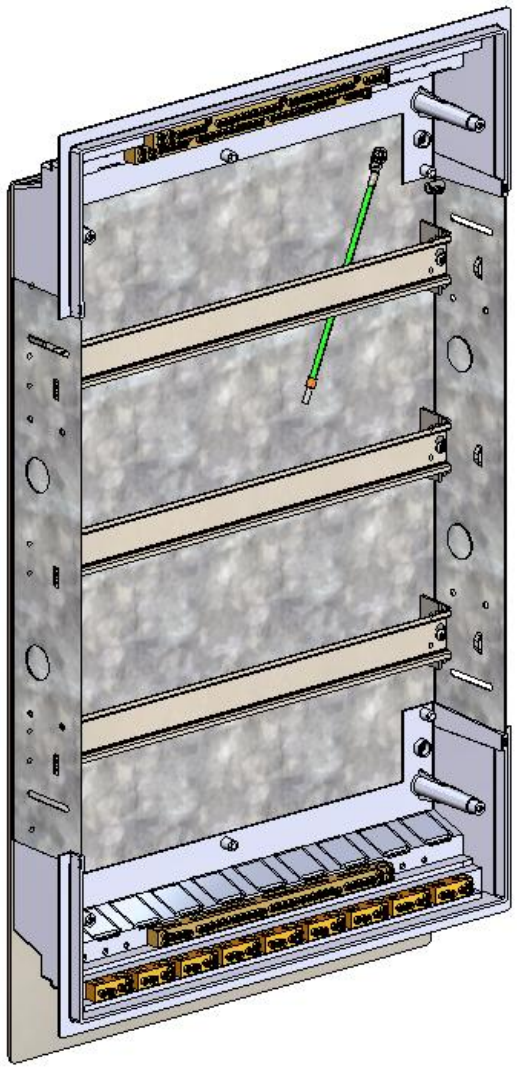
INSTALLATION INSTRUCTIONS

V60 METAL PROTECTION PLATE KIT — V60PK



The metal plate can be fitted either way around.

The metal section which extends up or down outside the base of the board is to protect the incoming and outgoing cables.

SWITCHBOARD CODE	METAL PLATE	HEIGHT (mm)	WIDTH (mm)
V60	V60PK	658	386

SAFETY

Please read all instructions prior to installation of this product.

This product complies with AS/NZS 3000:2018 clauses 3.9.4.2 and 3.9.4.4 (b)

Always ensure power is switched off/isolated on circuit before installation, internal cleaning or maintenance.

Do not attempt to modify this fitting in any way.

This product should be installed by a suitably qualified person in accordance with Australian and New Zealand wiring rules AS/NZS 3000.

WARRANTY

The product warranty protects against defects in workmanship and material. Any defects will be rectified by replacement if the goods are returned to place of purchase, with proof of purchase, and with a brief explanation of the experienced fault.

This warranty does not include compensation for any associated expenses involving installations or removal, such as labour or travel.

This warranty becomes null and void if, in our opinion, the product has been misused, tampered with, incorrectly installed, or subjected to power surges.
