

NORRIS HIGHBAY

SUITABLE FOR WAREHOUSES, FACTORIES & HIGH CEILINGS

SAFETY INFORMATION:

To ensure correct function and safety, please read and follow all instructions carefully before using the product:

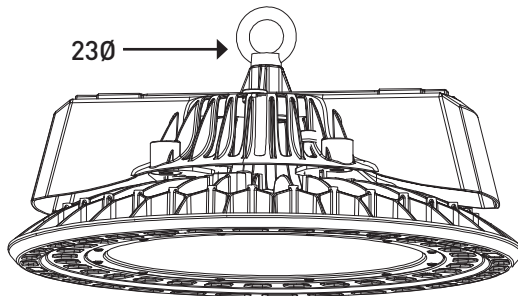

- Turn off power before installation or before doing any maintenance work.
- Do not install any luminaire near a heat source.
- Do not exceed the nominal supply voltage or amperage ratings.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure there are no components missing before assembling.
- To avoid injury or damage to the fitting, please ensure that power leads and screws are secure before connecting the power.
- All wiring and installation of the light fitting must adhere to AS/NZS 3000 Wiring Rules.

INSTALLATION INSTRUCTIONS:

- Switch off before installation.
- Switch on only after complete installation and examination of the circuit.
- Installation and maintenance should only be completed by a registered electrician.

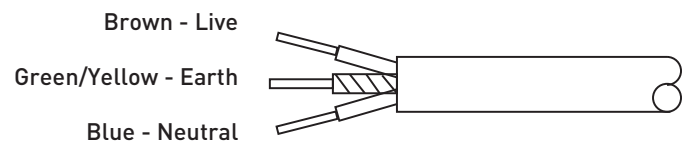

Turn off power supply before starting any installation. Read instructions, check you have all the tools and accessories to complete the installation correctly.

1.

Fix luminaire to a suitable chain/suspension cord (not supplied) for the application. The luminaire comes with a fixed ring for suspension as standard, fit the ring to the M12 threaded hole in the top centre of the driver enclosure.

2. This product is supplied with flex and plug therefore ensure a surface socket is installed in the agreed location. Plug into surface socket, cable tie any excess flex through the mounting chain to prevent getting caught and being damaged.

3. Adjust mounting position and level of the highbay to match the mounting position of the other highbays within the area.
4. Turn on power supply and test for correct operation.

WARRANTY:

This product is covered by the standard 3 year Vynco Warranty - proof of purchase is required.

Please contact Vynco for details of returns procedure.

NOTE: This product contains NO user serviceable parts.
