REACHER GRILLES

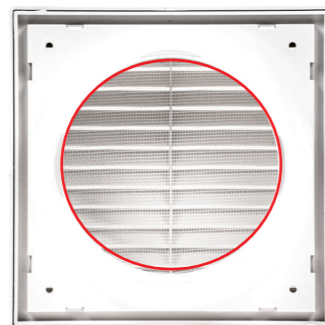

Researched and developed in New Zealand by Vynco's expert team, the Reacher range includes many intuitive design features.

Unlike traditional grilles, Vynco's Reacher range features a uniform cover size regardless of duct size.

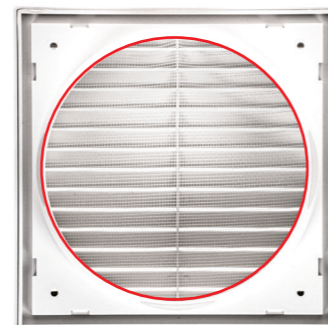

This means multiple grilles can be neatly installed next to each other.

100mm Ducting

125mm Ducting

150mm Ducting

REACHER COWL GRILLES
