We're lighting the way to a better planet with our new Ocean range of LED Oyster lights

Environmentally friendly yet technologically advanced, our new range of Ocean Oyster LED lights are the first of our more environmentally friendly lighting range.

Made from recycled and bio plastics, easy to install, 3 colour settings, multi-wattage and a 120° beam angle are just some of the reasons to dive into our Ocean range.

We're lighting the way to a better planet.
