ONE SERIES

WITH DEEP
METER
WINDOW

THE NEW RAISED METER WINDOW

ALLOWS DEEP SINGLE PHASE METERS TO FIT INTO A SHALLOW BOARD

MAX METER DEPTH OF 115MM

BOX AHEAD AVAILABLE

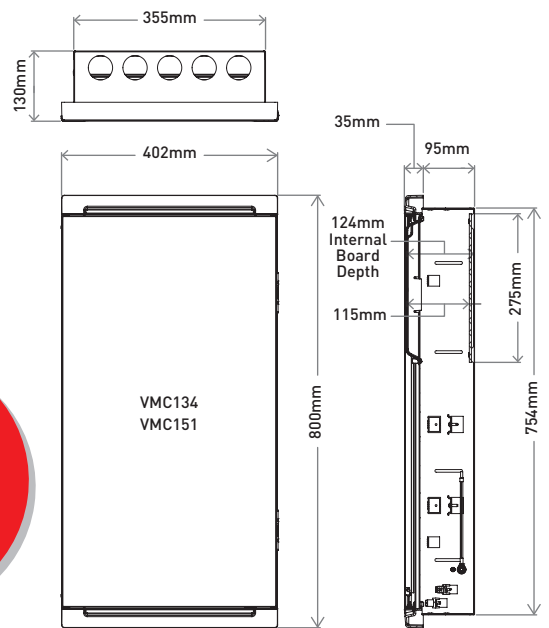

TOP OR BOTTOM METER MOUNTING

Our new VMC ONE range combines the best of both worlds, replacing our VM Series shallow and deep combined meterboards with a single board.

Housed in a shallow board frame, VMC ONE boards all include a raised clear window, which allows deep single phase meters to be installed.

The VMC ONE range will be available in the existing 34 and 51 way options as well as a brand new 17 way option.

COMING SOON
3 PHASE COMBINED METERBOARDS

Old Code	New Code	Colour	Base Box (HxWxD)	Overall Assembled Dimensions (HxWxD)	Total Internal Meter Mounting Space (HxWxD)	Maximum Meter Depth	Door & Surround (HxWxD)	DIN Capacity (Ways)
