

V40CMBM - COMBINED DISTRIBUTION AND METER BOARD

SAFETY

Review meter dimensions (HxWxD) before installation. This product is designed to be installed inside a wall cavity on its own.

The metal wall enclosure must be earthed. This product is designed to be used with New Zealand and Australia's MEN system.

DO NOT install a link between the neutral bars and earth bars on circuits dedicated to RCDs. Please ensure circuits and protective devices are adequately identified during installation.
