INSTALLATION DIAGRAM

WARRANTY

This product is covered by the standard 3 Year Vynco Warranty - proof of purchase is required. Please contact Vynco for details of returns procedure.

NOTE: This product contains NO user serviceable parts.

INSTALLATION PROCEDURE

STEP 1

Cut a 180mm to 200mm diameter hole in the ceiling and pull the 150mm duct through.

STEP 2

Slide the duct over the grille base.

Caution: Only slide the duct down 20mm to 25mm and leave plenty of room for the tape to seal.

STEP 3

Tape the duct to the grille base ensuring there are no gaps between the duct and base.

Caution: Check there are no gaps between the tape and base to prevent moisture from escaping from the duct into the ceiling space.

STEP 4

Fit the grille base and duct into the ceiling and fit the supplied grille.
