Grille suits	150mm ducting								
Overall dimensions	330 x 330 x 123mm								
Maintenance	This product does not require maintenance once installed								

Centre tile installed

Steps:

1. Remove centre tile assembly from grille by removing 4x corner screws.
2. Secure body of grille to ceiling framing / battens, ensuring that plaster step will finish flush with the outer surface of plasterboard when installed.
3. Cut out 268mm square in plasterboard and secure around grille (cutting template supplied).
4. Plaster, sand and finish joint between plasterboard and grille. Note: plaster step of grille can be sanded as required to achieve flush finish.
5. Paint grille, ceiling and if desired grille centre tile to ceiling colour. Ensure internal edge of grille plaster step is painted.
6. Pull ducting through centre opening and secure to spigot on centre tile assembly with duct tape.
7. Insert centre tile assembly and duct into installed grille body and secure with 4x corner screws.

WARRANTY:

- The Vynco architectural grille is guaranteed for a period of 5 years from the date of purchase against defects in workmanship and materials.
- Defects will be rectified by replacement of the product.
- This warranty becomes null and void, if in our opinion, the product has been misused, incorrectly installed or tampered with.
- The warranty does not include any labour or other associated expenses that may be involved in removal or installation of the product.
- To obtain a replacement under this guarantee, return the goods (prepaid) to the place of purchase (proof of purchase must be supplied).
