WARRANTY

This product is covered by the standard 3 Year Vynco Warranty - proof of purchase is required. Please contact Vynco for details of returns procedure.

NOTE: This product contains NO user serviceable parts.

SAFETY

Turn off power before installation or before doing any maintenance work. Do not install any luminaire near a heat source. Take care not to pull any electrical wires during placement and installation.

This product should be installed by a suitably qualified person in accordance with Australian and New Zealand wiring rules.

INSTALLATION PROCEDURE

Prepare rectangular cut-out in the ceiling as per dimensions specified in the table.

STEP 1

A minimum of two long sides of the hole to be framed up with suitable wooden battens.

STEP 2

Insert flush mount frame into prepared hole and secure to timber battens with suitable fasteners.

STEP 3

Wire the LED panel as per the manufacturer's instruction.

STEP 4

Insert the LED panel inside the frame and position the panel so that it looks centered with the flush mount.

STEP 5

Ensure correct wiring/connection before turning on the power.
